

INSTALLATION GUIDE

Follow 3 simples steps

To start with our virtual world

- 1/** Once you receive the email inviting you to join the virtual world, click on the dedicated button to create your account & choose a password.
- 2/** Download the app and start the installation process. It can take up to 10 minutes.
- 3/** Launch the app, log in with your email and password to customize your avatar and join our Virtual World!

The app only works on **Mac and PC**. It is not compatible with tablets, smartphones, Chromebooks or Linux computers.

A professional corporate network may require specific configurations, if you are on your professional computer & have trouble connecting, please contact your company's IT department.
